

# City Of Enderby

Where The Shuswap Meets The Okanagan

## Snow Clearing

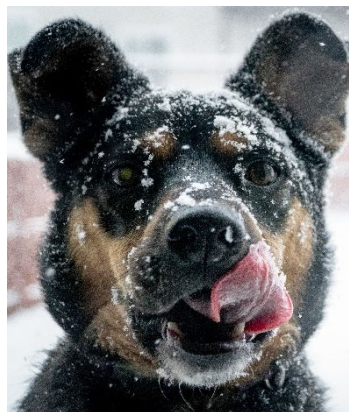

The snow season is upon us and the City of Enderby would like to remind residents not to park their vehicles on the road during or immediately after a snow event, as this interferes with snow plowing. When a snow plow is forced to navigate around a parked vehicle, it prevents the operator from removing all of the snow from the road. This narrows the travelled portion of the road and makes it more challenging as the snow accumulates.

Looking for some tips for snow clearing? Check out these from our website:

1. Be safe, wait for the wave! Be careful around snow clearing equipment – always make eye contact with the equipment operator and wait for them to wave you a signal that it is safe to go around.
2. Avoid doing the same job twice (Part 1)! Pile snow to the right of your driveway to prevent it from being pulled back across by a snowplow blade with the next pass.
3. Avoid doing the same job twice (Part 2)! Pile sidewalk snow to the back of the sidewalk rather than the front, so that it doesn't get pushed back onto the sidewalk.
4. Avoid doing the same job twice (Part 3)! Do not push your snow onto the road. Chances are, it will end up back on your sidewalk, so send that snow to its "forever home" the first time – behind the sidewalk.
5. Lighten your load, your back will thank you! Shovel snow early and often to prevent heavy lifting.
6. Pay it forward, snow angels! Help your neighbours and chances are they will return the favour and help you too. People who receive help are more likely to turn around and help others, so keep that good karma moving!

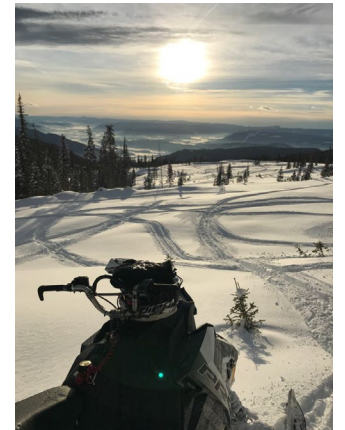

## 2024 Dog Tags

The 2024 dog tags are in! If you are in the City / Area F dog control area, be sure to purchase your dog tag before March 1<sup>st</sup> to get a discount. Did you know that licensing your favorite four-legged friend(s) can help reunite them with you? Keep those canine (mis)adventures to a minimum with a dog tag.

## Inter-Municipal Business License

Do you do business in other communities? Avoid multiple business licenses with an annual Inter-Municipal Business License! Your City of Enderby business license is perpetual, so if you already have one, you only need to purchase the annual Inter-Municipal Business License. If you had a 2023 Inter-Municipal Business License, please visit City Hall to renew for 2024.

## Street Banner Renewal

The City of Enderby is redesigning its street banners and is inviting artists of all ages and backgrounds to submit their design concepts! Design concept submissions will be entered into one of two categories: 'Under 18' and '18 and Over', with a judging panel to select a winning design concept in each category.

The artist of the winning design concept in each category will be awarded **\$500** and their artwork will serve as inspiration for the street banners that will be displayed throughout the community!

For more information on how to submit a design concept, please visit [www.cityofenderby.com/banners](http://www.cityofenderby.com/banners).

## Enderby 100 Radon Test Kit Challenge

Great job, Enderby residents! Due to your tremendous participation in this initiative, all 100 radon test kits were distributed. If you are a participant, remember to return your kits to City Hall during collection week – February 20 to February 23, 2024. After the kits are analyzed, each participant will privately receive a report with their own results. A summary of the community data without specific participant details will be made available to help inform others.

## Protect Our Wildlife

Enderby is in an interface area with wildlife, which may become habituated to unnatural food sources and pose a danger to humans and pets. Our Wildlife Attractant Bylaw helps protect wildlife by requiring garbage to be placed at curbside on the same day as collection and prohibiting the feeding of wildlife, among other things. For tips on protecting wildlife (and our pets!), visit [www.cityofenderby.com/wildlife-attractants](http://www.cityofenderby.com/wildlife-attractants).

## Dog Park Survey

The City of Enderby is considering developing a dog park and is conducting a survey to evaluate public interest in the project and what would make it useful for our community.

A dog park is a fenced area where dogs can run, socialize, and play off-leash, accompanied by their owners.

To complete the survey, please visit [www.cityofenderby.com/dogpark](http://www.cityofenderby.com/dogpark)

## Online Utility Payments

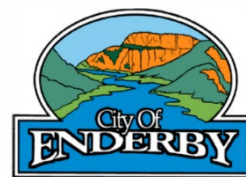

Did you know that we accept online payments from all major banks? In your online banking, search "Enderby" as a payee and add the utility option. Your account number can be found on the top left corner of your utility bill - just leave out the spaces when you add it to your online banking system.

Account #: 208 0512000 000  
Service Address: 1605 KATE ST

The account number here would be 2080512000000

## Winter Recreation

There are a lot of ways to stay fit in Enderby! Check out [www.enderbyrecreation.com](http://www.enderbyrecreation.com) for recreation guides, programs, and scheduling information.
