

City Of Enderby

Where The Shuswap Meets The Okanagan

Thank You Firefighters!

A heartfelt thank you to the members of the Enderby & District Fire Department who deployed to Eagle Bluff and McDougall Creek wildfires this summer, as well as those who stayed in our community to respond.

Stay Informed with Alertable

The City of Enderby and other North Okanagan communities are using the Alertable emergency notification system. Alertable allows you to receive emergency notifications through your smart phone as well as various other devices (including landline telephones!).

If you would like to receive emergency notifications from the City or any of the other participating North Okanagan communities, all you need to do is download the app.

For more information, please visit www.cityofenderby.com/emergency-notifications

RadonAware Community Testing

The City of Enderby is partnering with the BC Lung Foundation to provide free radon test kits to residents of Enderby and Area F this fall.

Radon is a colourless, odourless gas that can accumulate in homes and workplaces, and can lead to adverse health impacts with prolonged exposure.

Please keep an eye on our website and social media for more information, including when the test kits will be available.

Fall and Winter Recreation

There are a lot of ways to stay fit in Enderby! Check out www.enderbyrecreation.com for recreation guides, programs, and scheduling information.

Online Utility Payments

Did you know that we accept online payments from all major banks? In your online banking, search "Enderby" as a payee and add the utility option. Your account number can be found on the top left corner of your utility bill - just leave out the spaces when you add it to your online banking system.

Account #: 208 0512000 000
Service Address: 1605 KATE ST

The account number here would be 2080512000000

Where The Shuswap Meets The Okanagan

BRITISH COLUMBIA
FireSmart™

Below are 5 simple steps you can take to significantly reduce the risk of wildfire in the community and around your home or property:

1. Remove all combustible material (twigs, dry grass, leaves) within 10 m of your home.
2. Remove leaves, tree needles, branches and other debris from your roof and gutters.
3. Do not use bark or pine needle mulch around your home as these materials are highly flammable.
4. Plant fire-resistant landscaping around your home, such as leafy plants. Needled trees and shrubs are highly flammable.
5. Avoid storing items such as firewood piles, construction materials, and patio furniture against or near to your house.

For more information on FireSmart resources, please visit www.cityofenderby.com/FireSmart

Prevent Wildlife Conflicts

Did you know that you can help prevent wildlife conflicts? Please do not feed wildlife and make sure that your residential garbage is stored in a secure manner and is placed out on the same day as collection in a rigid container with a lid. This will prevent wildlife from being habituated to unnatural food sources and becoming dangerous. A few simple adjustments to how we interact with wildlife can help protect bear, deer, and other animals, as well as keep our neighbourhoods (and our pets!) safe.

Grab-and-go Kits

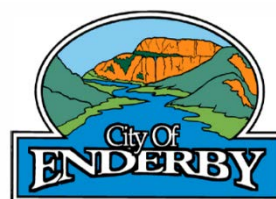

Are you prepared for an emergency? A grab-and-go kit is a small emergency kit that's easy to take with you, in case you need to leave right away.

Here is a list of some items to include in your grab-and-go kit:

- Non-perishable food and water
- Phone charger and battery bank
- Battery-powered or hand-crank radio
- Flashlight
- Extra batteries
- Small first aid kit and personal medications
- Personal toiletries and items such as an extra pair of glasses
- Copy of your emergency plan
- Copies of important documents, such as insurance papers and ID
- Cash in small bills
- Seasonal clothing & an emergency blanket

Sidewalk Clearing

Winter is fast approaching! Please remember that it is the property owner's responsibility to clear the adjacent sidewalk of snow and ice. If you are a property owner who does not reside on site or vacations over the winter, please plan ahead to have someone clear the sidewalk for you.
